TDCI BOARD OF PHARMACY SUSPENDS LICENSE OF BROOKS PHARMACY

Nashville, TN.- The Tennessee Board of Pharmacy summarily suspended the pharmacy license for Brooks Pharmacy in Nashville and the individual pharmacist license for Glen C. Brooks for dispensing medications to patients without a prescription.

The Board found that based on Brooks' position of public trust as a community pharmacist, the public health and safety required immediate action.

"Protecting consumers is our number one priority. The Board of Pharmacy's decision to summarily suspend the licenses is a step in the right direction," said Assistant Commissioner for the Regulatory Boards Meredith Sullivan. "I commend the other agencies involved, including the TBI and Metro Nashville Police for their assistance in prosecuting this matter."

Final suspension of the licenses is scheduled for a hearing before the Board on May 15, 2007. A copy of the order can be found online at www.state.tn.us/commerce.
